Join the **Salem Public Library Children's Department** as we read books that reflect our wonderfully diverse world

Why read diverse books?

→ Because all children deserve **to see themselves** in the books they read

→ Because all children deserve **to see each other** in the books they read

Visit our website to get recommendations, share your reads, & more!

What do we mean by "diverse"?

We embrace the definition set down by diversity advocates at [We Need Diverse Books](#):

"We recognize all diverse experiences, including (but not limited to) LGBTQIA, Native, people of color, gender diversity, people with disabilities, & ethnic, cultural, & religious minorities."
